(a) Interagency Committee on Employees who are Individuals with Disabilities; establishment; membership; co-chairmen; availability of other Committee resources; purpose and functions

There is established within the Federal Government an Interagency Committee on Employees who are Individuals with Disabilities (hereinafter in this section referred to as the "Committee"), comprised of such members as the President may select, including the following (or their designees whose positions are Executive Level IV or higher): the Chairman of the Equal Employment Opportunity Commission (hereafter in this section referred to as the "Commission"), the Director of the Office of Personnel Management, the Secretary of Veterans Affairs, the Secretary of Labor, the Secretary of Education, and the Secretary of Health and Human Services. Either the Director of the Office of

Personnel Management and the Chairman of the Commission shall serve as co-chairpersons of the Committee or the Director or Chairman shall serve as the sole chairperson of the Committee, as the Director and Chairman jointly determine, from time to time, to be appropriate. The resources of the President's Committees on Employment of People With Disabilities and on Mental Retardation shall be made fully available to the Committee. It shall be the purpose and function of the Committee (1) to provide a focus for Federal and other employment of individuals with disabilities, and to review, on a periodic basis, in cooperation with the Commission, the adequacy of hiring, placement, and advancement practices with respect to individuals with disabilities, by each department, agency, and instrumentality in the executive branch of Government and the Smithsonian Institution, and to insure that the special needs of such individuals are being met; and (2) to consult with the Commission to assist the Commission to carry out its responsibilities under subsections (b), (c), and (d) of this section. On the basis of such review and consultation, the Committee shall periodically make to the Commission such recommendations for legislative and administrative changes as it deems necessary or desirable. The Commission shall timely transmit to the appropriate committees of Congress any such recommendations.

(b) Federal agencies; affirmative action program plans

Each department, agency, and instrumentality (including the United States Postal Service and the Postal Rate Commission) in the executive branch and the Smithsonian Institution shall, within one hundred and eighty days after September 26, 1973, submit to the Commission and to the Committee an affirmative action program plan for the hiring, placement, and advancement of individuals with disabilities in such department, agency, instrumentality, or Institution. Such plan shall include a description of the extent to which and methods whereby the special needs of employees who are individuals with disabilities are being met. Such plan shall be updated annually, and shall be reviewed annually and approved by the Commission, if the Commission determines, after consultation with the Committee, that such plan provides sufficient assurances, procedures and commitments to provide adequate hiring, placement, and advancement opportunities for individuals with disabilities.

(c) State agencies; rehabilitated individuals, employment

The Commission, after consultation with the Committee, shall develop and recommend to the Secretary for referral to the appropriate State agencies, policies and procedures which will facilitate the hiring, placement, and advancement in employment of individuals who have received rehabilitation services under State vocational rehabilitation programs, veterans' programs, or any other program for individuals with disabilities, including the promotion of job opportunities for such individuals. The Secretary shall encourage such State agencies to adopt and implement such policies and procedures.

(d) Report to Congressional committees

The Commission, after consultation with the Committee, shall, on June 30, 1974, and at the end of each subsequent fiscal year, make a complete report to the appropriate committees of the Congress with respect to the practices of and achievements in hiring,

placement, and advancement of individuals with disabilities by each department, agency, and instrumentality and the Smithsonian Institution and the effectiveness of the affirmative action programs required by subsection (b) of this section, together with recommendations as to legislation which have been submitted to the Commission under subsection (a) of this section, or other appropriate action to insure the adequacy of such practices. Such report shall also include an evaluation by the Committee of the effectiveness of the activities of the Commission under subsections (b) and (c) of this section.

(e) Federal work experience without pay; non-Federal status

An individual who, as a part of an individualized plan for employment under a State plan approved under this chapter, participates in a program of unpaid work experience in a Federal agency, shall not, by reason thereof, be considered to be a Federal employee or to be subject to the provisions of law relating to Federal employment, including those relating to hours of work, rates of compensation, leave, unemployment compensation, and Federal employee benefits.

(f) Federal agency cooperation; special consideration for positions on President's Committee on Employment of People With Disabilities

(1) The Secretary of Labor and the Secretary of Education are authorized and directed to cooperate with the President's Committee on Employment of People With Disabilities in carrying out its functions.

(2) In selecting personnel to fill all positions on the President's Committee on Employment of People With Disabilities, special consideration shall be given to qualified individuals with disabilities.

(g) Standards used in determining violation of section

The standards used to determine whether this section has been violated in a complaint alleging nonaffirmative action employment discrimination under this section shall be the standards applied under title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) and the provisions of sections 501 through 504, and 510, of the Americans with Disabilities Act of 1990 (42 U.S.C. 12201-12204 and 12210), as such sections relate to employment.

Section 793. Employment under Federal contracts

(a) Amount of contracts or subcontracts; provision for employment

and advancement of qualified individuals with disabilities; regulations

Any contract in excess of \$10,000 entered into by any Federal department or agency for the procurement of personal property and nonpersonal services (including construction) for the United States shall contain a provision requiring that the party contracting with the United States shall take affirmative action to employ and advance in employment qualified individuals with disabilities. The provisions of this section shall apply to any

subcontract in excess of \$10,000 entered into by a prime contractor in carrying out any contract for the procurement of personal property and nonpersonal services (including construction) for the United States. The President shall implement the provisions of this section by promulgating regulations within ninety days after September 26, 1973.

(b) Administrative enforcement; complaints; investigations; departmental action

If any individual with a disability believes any contractor has failed or refused to comply with the provisions of a contract with the United States, relating to employment of individuals with disabilities, such individual may file a complaint with the Department of Labor. The Department shall promptly investigate such complaint and shall take such action thereon as the facts and circumstances warrant, consistent with the terms of such contract and the laws and regulations applicable thereto.

(c) Waiver by President; national interest special circumstances for waiver of particular agreements; waiver by Secretary of Labor of affirmative action requirements

(1) The requirements of this section may be waived, in whole or in part, by the President with respect to a particular contract or subcontract, in accordance with guidelines set forth in regulations which the President shall prescribe, when the President determines that special circumstances in the national interest so require and states in writing the reasons for such determination.

(2) (A) The Secretary of Labor may waive the requirements of the affirmative action clause required by regulations promulgated under subsection (a) of this section with respect to any of a prime contractor's or subcontractor's facilities that are found to be in all respects separate and distinct from activities of the prime contractor or subcontractor related to the performance of the contract or subcontract, if the Secretary of Labor also finds that such a waiver will not interfere with or impede the effectuation of this chapter.

(B) Such waivers shall be considered only upon the request of the contractor or subcontractor. The Secretary of Labor shall promulgate regulations that set forth the standards used for granting such a waiver.

(d) Standards used in determining violation of section

The standards used to determine whether this section has been violated in a complaint alleging nonaffirmative action employment discrimination under this section shall be the standards applied under title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) and the provisions of sections 501 through 504, and 510, of the Americans with Disabilities Act of 1990 (42 U.S.C. 12201-12204 and 12210), as such sections relate to employment.

(e) Avoidance of duplicative efforts and inconsistencies

The Secretary shall develop procedures to ensure that administrative complaints filed

under this section and under the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) are dealt with in a manner that avoids duplication of effort and prevents imposition of inconsistent or conflicting standards for the same requirements under this section and the Americans with Disabilities Act of 1990.

Section 794. Nondiscrimination under Federal grants and programs

(a) Promulgation of rules and regulations

No otherwise qualified individual with a disability in the United States, as defined in section 705(20) of this title, shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance or under any program or activity conducted by any Executive agency or by the United States Postal Service. The head of each such agency shall promulgate such regulations as may be necessary to carry out the amendments to this section made by the Rehabilitation, Comprehensive Services, and Developmental Disabilities Act of 1978. Copies of any proposed regulation shall be submitted to appropriate authorizing committees of the Congress, and such regulation may take effect no earlier than the thirtieth day after the date on which such regulation is so submitted to such committees.

(b) "Program or activity" defined

For the purposes of this section, the term "program or activity" means all of the operations of -

- (1) (A) a department, agency, special purpose district, or other instrumentality of a State or of a local government; or
(B) the entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the case of assistance to a State or local government;
- (2) (A) a college, university, or other postsecondary institution, or a public system of higher education; or
(B) a local educational agency (as defined in section 8801 of title 20), system of vocational education, or other school system;
- (3) (A) an entire corporation, partnership, or other private organization, or an entire sole proprietorship –
 - (i) if assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(ii) which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(B) the entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(4) any other entity which is established by two or more of the entities described in paragraph (1), (2), or (3); any part of which is extended Federal financial assistance.

(c) Significant structural alterations by small providers

Small providers are not required by subsection (a) of this section to make significant structural alterations to their existing facilities for the purpose of assuring program accessibility, if alternative means of providing the services are available. The terms used in this subsection shall be construed with reference to the regulations existing on March 22, 1988.

(d) Standards used in determining violation of section

The standards used to determine whether this section has been violated in a complaint alleging employment discrimination under this section shall be the standards applied under title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) and the provisions of sections 501 through 504, and 510, of the Americans with Disabilities Act of 1990 (42 U.S.C. 12201-12204 and 12210), as such sections relate to employment.

Section 794a. Remedies and attorney fees

(a) (1) The remedies, procedures, and rights set forth in section 717 of the Civil Rights Act of 1964 (42 U.S.C. 2000e-16), including the application of sections 706(f) through 706(k) (42 U.S.C. 2000e-5(f) through (k)), shall be available, with respect to any complaint under section 791 of this title, to any employee or applicant for employment aggrieved by the final disposition of such complaint, or by the failure to take final action on such complaint. In fashioning an equitable or affirmative action remedy under such section, a court may take into account the reasonableness of the cost of any necessary work place accommodation, and the availability of alternatives therefor or other appropriate relief in order to achieve an equitable and appropriate remedy.

(2) The remedies, procedures, and rights set forth in title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.) shall be available to any person aggrieved by any act or failure to act by any recipient of Federal assistance or Federal provider of such assistance under section 794 of this title.

(b) In any action or proceeding to enforce or charge a violation of a provision of this subchapter, the court, in its discretion, may allow the prevailing party, other than the United States, a reasonable attorney's fee as part of the costs.
